WHAT IS L'APERITIVO DECISO?

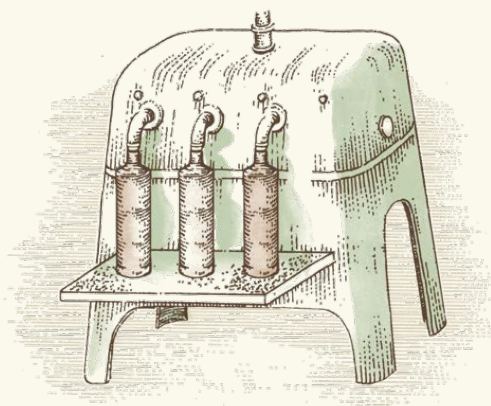

Rinomato L'Aperitivo Deciso is a modern and fresh aperitivo liqueur from Italy's Torino region. It blends classic flavors like orange peel and vanilla with more sophisticated and bitter elements like gentian and chiretta. The result is a liqueur favoring complexity over sweetness.

HOW BEST TO USE IT

L'Aperitivo Deciso is ideal for any cocktail using an orange Italian aperitivo, although this one also works as a base for sours and long drinks (e.g. with tonic). In terms of classic cocktails, it is well placed in a Paper Plane and Italian Spritz.
